Re: Line Siting Case #138
APS TS-5 to TS-9

DOCKETED BY	<i>M</i>
-------------	----------

Dear Mr. Foreman,

After due consideration of the circumstances of this case, I hereby recuse myself from any further involvement with the Line Siting Committee for APS Case #138, TS-5 to TS-9.

My civil engineering firm, Thunderbird Consulting Group, Inc., has had a long-standing contract to perform civil engineering-related work for the City of Peoria Engineering Department. As you know, the City of Peoria is an intervener in this case.

This civil engineering work is not related in any way to electrical transmission lines or to Case #138, and there are no financial benefits to me or my firm related to Case #138. However, I believe it is the best interests for all concerned to recuse myself from this particular case, in order to avoid any possible appearance of impropriety.

Very truly yours,

David L. Eberhart, PE
